Dear Madam,

I am writing You On behalf of Budaörs City Council with the respectfull request for the support of twin town seeking. The Council has made it's decision to submit a project for the Swiss-Hungarian Cooperation Programme for the axis of Twinning and Partnership Block Grant with the subject of Swiss-Hungarian Renewable Energy Knowledge Transfer.

Our City puts a big emphasize to reach the 20-20-20 rule on the field of the green energy sources declared by the Europe 2020 Strategy.

We have already prepared our project but we are still missing a Partner in Switzerland. We are seeking a town with similar features as Budaörs with whom we can build a longtime partnership.

Please let us know if we could have some help from Your Office and please give us the further directions or tasks to be fulfilled.

Thank You in advance.

Best regards,

On behalf of Tamás Wittinghoff Mayor, Balázs Szőke CEO  
Budaörs City Development Ltd.
