Sziasztok!

Bologna visszaigazolta, hogy a kitöltött partner adatlapot megkapta, és számít Budaörsre az URBACT III felhívásra beadni tervezett hálózatépítő projektben.

A legfrissebb információk szerint a koordinátor Bologna mellett partnerek lesznek: Valencia, Nápoly, Split, Nagyvárad és Budaörs.

Csatolom a szándéknyilatkozatot, kérem, hogy ezt használjátok - ez már javítva lett. Fejléces papíron, Polgármester úr szignójával, pecsételve lesz rá szükség.

Az olaszoknak azt mondtam, hogy elektronikus formában megkapják csütörtök reggel.

Köszönöm,

Miki

Dear Madam, Sir,

The city of Budaörs confirms its commitment to be Project Partner in the activities of the URBACT *Action Planning Network* proposal entitled "**Resilient and Inclusive Metropolitan Cities Network - RIME**" led by the Metropolitan City of Bologna.

The specific challenge we wish to address in this *Action Planning Network* as a Project Partner is *creating a resilient and inclusive economy, safeguarding and reconstructing a high social cohesion and making it a factor of development. RIME will promote the establishment of innovative business systems and exploit new sources of job, for the empowerment of socially innovative, inclusive and integrated multi-scalar governance.*

We are convinced that by working through this URBACT network, we will be able to better address these challenges. In this context, if the proposal is approved within the framework of the URBACT III Programme, we will participate in the project, take on roles and implement activities as indicated in the Phase 1 work plan. More especially, we commit to participate in the transnational meetings planned, to contribute to the production of the Baseline study, to identify key stakeholders to be involved and to contribute to the production of the Phase 2 Application.

To this end we also formally commit to engage the funds needed to co-finance ERDF. The details of this contribution are outlined within the Phase 1 application.

Yours sincerely<sup>1</sup>

Mayor
